RESORT & SPA

## 2012 BANQUET & CATERING MENUS

### INTRODUCTION ...

#### GENERAL INFORMATION

The Miami Beach Resort and Spa is proud to offer its elegant Function Rooms along with its professional service and staff to assist with the arrangements for your forthcoming catered affair. Please do not hesitate to ask for assistance at any time. All reservations and agreements are made upon and are subject to, the rules and regulations of the resort, and the following conditions:

#### MENU SELECTIONS

The enclosed menus are a sampling of the items that we offer. In order to insure the availability of all chosen items, your menu selections should be submitted to the Catering/Convention Services Office no less than four (4) weeks prior to the function date. A surcharge of \$1.00 per person will apply to menus submitted less than two (2) weeks in advance. Final guarantees for all menus are due 72 business hours prior to function. THIS GUARANTEE IS NOT SUBJECT TO REDUCTION. Addition of a meal function within 24 hours is an additional \$5.00 per person.

#### FUNCTION SPACE

Our Function Rooms are assigned based on the number of guests that are expected to attend the function. A significant decrease in the final number of guests to attend a function may result in moving the function to alternate space better suited to the size of the function. Charges for function space will be based on the number of Guest Rooms utilized or the size of the party; charges may be waived. Wedding Ceremony Rooms are available. Charges are based on the number of guests in attendance. Our Pool area is available for outdoor parties and alternate space is always blocked inside the resort. In the event of a thirty percent (30%) or greater forecast of inclement weather, the resort requests a decision no less than four (4) hours prior to the start of the party to utilize the alternate space. All outside functions must end by 10:00 PM. All functions taking place in the Starlight Ballroom must end by 12:30 AM.

### **SERVICE AND LABOR CHARGES**

A Service Charge of \$100.00 will apply to all meal functions of 25 guests or less. An Early Morning or Late Night Service Charge of \$2.00 per person will be applied on Meal Functions scheduled before 6:00 AM or after 11:00 PM. Additional labor charges are at a rate of \$25.00 per hour for service beyond the planned time parameters outlined for your event.

### **GUARANTEES**

Please notify the Catering Office by 12 Noon three (3) working days preceding your function with the guaranteed number of guests for your function. THIS GUARANTEE IS NOT SUBJECT TO REDUCTION. The resort will prepare and set-up for 5% over this number. Guarantees for functions on Sunday and Monday must be received by 12 Noon the preceding Thursday. Guarantees for functions held on Tuesday must be received by 12 Noon the preceding Friday. Should your guarantee not be received within the specified time, the approximate number initially submitted by you will then become the guarantee. Your guarantee is the minimum charge, or if there are meals served above the guarantee, this number will be charged.

### **FOOD & BEVERAGE**

No food and beverage of any kind will be permitted to be brought into the resort by the patron or any of the patron's guests or invitees. If alcoholic beverages are to be served on the resort premises (or elsewhere under the resort's alcoholic beverage license) the resort will require that beverages be dispensed only by the resort servers and bartenders. The resort's alcoholic beverage license requires the resort to (1) request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either underage or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person who, in the resort's judgment, appears intoxicated.

### **PROPERTY PROTECTION**

Nothing may be nailed, tacked, taped or otherwise attached to the walls, doors, pillars, furniture, or any other part of the Resort. The Exhibitor or Function Planner will be held liable for any damage incurred by himself, his agents, or guests.

### **SIGNS & BANNERS**

The resort reserves the right to approve all signage. All signs must be professionally printed. No signs are allowed on the guest room levels nor in the elevators and of the hotel or building exterior. Printed signs outside function rooms on the Lobby and Lower Lobby Levels should be free standing or on an easel.

### **FLOWERS, MUSIC, PARTY DECORATIONS & SERVICE**

The ambiance of your function can be enhanced with the special touch of flowers and music. We have a wide range of recommendations for various services. Please ask for assistance. Should you elect to make these arrangements yourself, please supply us with a list of vendors so that we may assist them in servicing your needs as well as with load-in and load-out time for the loading dock. All outside vendors are required to supply the resort with a certificate of insurance.

### **LINENS**

The resort provides linens to complement your function. We would be more than happy to assist you in renting floor length cloths or specialty colored linens, should you desire.

### **METHODS AND CONDITIONS OF PAYMENT**

An initial deposit is required of all social functions, the amount will be determined based on the number of approximate guests. All deposits are non-refundable. A pre-arranged deposit will be included with your signed contract. An additional deposit which will bring the total deposit to 50% of the estimated billing is required no less than one (1) month prior to the function. The estimated balance is due 72 working hours prior to the commencement of the function. Please note all social function deposits must be made by cash, certified check or personal check. The final deposit (one week prior) must be cash or certified check. Direct billing is available for corporate clients with prior credit approval.
